Are you able to host a Ukrainian Family?

Over 80,000 Ukrainians have already arrived to Canada through a special visa program created by Immigration Canada. An additional 500,000 have applied to the program and are expected to arrive in the coming months. Among those will be some who are vulnerable to human trafficking, particularly seniors, single women, and women with children. There is an immediate need for families to host for a period of between one and six months. If you would like to learn more about hosting a Ukrainian family, please go to www.archtoronto.org (Archdiocese of Toronto - Ukrainian Crisis).
